**I. INTRODUCTION**

The captain’s guide has been compiled to make the league go as smoothly as possible. It contains the operational information such as association by-laws, award lists and tournament information. Knowledge of its contents is mandatory for all players. Most of the time problems and disputes arise as a result of a lack of an understanding of league by-laws and policies. A complete knowledge and understanding of rules, policies and procedures will allow all of us to throw darts and have fun without worrying about the technicalities. It is recommended to have the captain’s guide with you at each match.

## II. LEAGUE REGULATIONS

### A. LEAGUE FEES AND SANCTIONING

1. Each player will pay a \$5.00 player fee along with the cost of the games per night, which is inserted into the dartboard (cash only). The player fees are paid back 100% at the end of the season in the form of the M.A.C.D. City Dart Tournament, banquet, awards and prize check.
2. All players that have shot **3 or more weeks** must fill out a sanction card and pay a sanction fee of \$11.00. Failure to do so will result in a fine at the end of the season. This fee includes both the WAMO State (\$12/team) and NDA (\$8/player) sanction fees. It is a 'once-a-year fee and is due the night you shoot you 1<sup>st</sup> match. If you paid your sanction fee with another league (Reds, Sam's, etc.) please inform our office as to which league, night and team. If the fee is not paid by the end of season you will be penalized via your prize check. DO NOT insert this fee into the dartboards. (There is NO sanction fee due in the Spring/Summer league season).

### B. ROSTERS

1. Definition of a Player: Anyone on your roster that has played at least **one time** for your team on that particular night and has established their PPD & MPR (average).
2. When entering a new player to your team on the dartboards, please enter the FIRST and LAST NAME. **NO NICKNAMES ARE ALLOWED.**
3. There is a maximum of ten (10) players per team on the roster at one time. Once a team has a full roster, no new players can be added without dropping someone. Inform the office which player(s) to remove. Failing to inform the office will result in a loss of (8) games from that match.
4. Once a player has legally played a match for a team they cannot switch teams within that particular league.
5. Teams may add new players (up to the limit) at any time during the sanction deadline (see your schedule for deadline). Players must play at least one match prior to the halfway mark (noted on your schedule) in order to be eligible to play the rest of the league season.
6. New players will be permitted to play after the halfway point under extreme circumstances, such as sudden illness or accident. The league office will approve these circumstances. You will then have to drop your team roster to (5) five players including the new player. (It is recommended that your team has at least 2 substitutes at all times and they have shot before the halfway mark. Keep in mind these subs should have shot at least one time before the deadline and have an established PPD/MPR).
7. All league players must be at least 21 years of age. Any team caught with minors will be dropped from the league with all prize money forfeited.
8. All players must be legally sanctioned, meeting the standards set forth in this guide. Intentionally playing under another player's name will result in the loss of ALL games.
9. Player ID. – All players are required to have one form of a picture I.D. at all times. Opposing teams are allowed to ask for proof of person at any time. No I.D.-no play.
10. Under no circumstances will players be accepted the last two weeks of league play.

### C. CAPTAIN'S DUTIES AND RESPONSIBILITIES

1. Shall be present or assign an acting captain to all league matches and meetings.
2. Shall inform their team of all league rules and regulations.
3. Shall collect player fees to be inserted into the dartboard and set up their team line-up in the dartboard.

4. Issue each player on their team a sanction card and making sure that each teammate properly fills out the sanction card neatly, completely and accurately.
5. Collecting the designated sanction fees along with the completed sanction cards and turning them in to the league office immediately. You may bring it to our office or please give to your sponsoring location and inform them to give it to their dartboard Operator.
6. The captain is responsible for knowing their teammates averages to determine the handicapping (See Handicapping is this Captain's Guide). Also, the captain is responsible for informing the opposing team of their averages and handicapping.
7. In the event manual scoring is needed, the captain is responsible for filling out the score sheet properly and completely. It is the responsibility of the visiting teams' captain to turn both (Home & Visiting) *completed* score sheets in to the league office.
8. The captain is responsible for settling any disputes that might arise during a match. Refer to this guide when disputes arise.
9. It is the captain's responsibility to know where his/her captain's folder is at all times. If the captain folder needs to be replaced for any reason, there will be a minimal charge (See fees & fines).

#### **D. FORFEITS AND LEAGUE STANDINGS**

1. League starting time is 7:30 p.m. There is a (15) fifteen minute grace period.
2. All money is to be deposited into the dartboard and league play started by 7:45 p.m. or the opposing team will take a FORFEIT.
3. If a partial team is there, play is to begin with the players that are present. A team may start with one player. Pass the rounds of the absent player(s). If a player arrives late, his/her score will remain 301/501 for the games missed or on Cricket his/her rounds will be passed. That player is allowed to join in on any of the remaining games. (SEE **PAGE 5** ON HOW TO ENTER FORFEIT ON DART BOARD).

#### **FORFEIT:**

- Definition: A *whole* team absent from the appointed location of the match. In the event that some or all of the opposing team comes to the match location they join in as per above mentioned.
- A BYE is not a forfeit.
- Fall/Winter season – Any team forfeiting three (3) times will be dropped from the league, forfeiting all prize money.
- Spring/Summer season – Any team forfeiting two (2) times will be dropped from the league, forfeiting all prize money.
- The forfeiting team will be fined (see fees & fines) and lose all games in that match. Both teams are still responsible for paying the player fees. Failure to do so will result in a fine.
- Any team forfeiting during the last two weeks of league play, and who's forfeit effects the "placing" team (1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> and/or 4<sup>th</sup> depending on the size of the league {see Awards}) will forfeit 50% of their prize money.

#### **E. LEAGUE SCHEDULE AND STANDINGS**

1. Five *original* League schedules are included with your Captain's folder one your Sponsoring location and 4 for your regular players. SCHEDULES ARE SUBJECT TO CHANGE WITHOUT NOTICE! Check the website and dartboard schedules often for any changes/updates.
2. League standings will be based on a win/loss percentage.
3. League and player standings will be posted on the website ([www.macdleagues.com](http://www.macdleagues.com)) and the dartboards weekly.

4. In the event two or more teams tie for placing positions (1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> and/or 4<sup>th</sup>) the following playoff procedures are to be used:

#### **MANUAL SCORING IS REQUIRED**

- From each team, the four players with the most games played must be the players that shoot the playoff match. If any of the four players are not available the team will have to play short players.
  - All playoff matches must be at one of the two sponsors' locations, and should take place the week following the final scheduled league match night, unless both captains agree to an earlier day and time.
  - If the captains cannot agree or get together for a coin flip the league secretary shall name the date, time and location of the playoff match.
  - The playoff match will be a race to seven or the best of thirteen games. If the match goes to the thirteenth game, all four players play using two scores.
  - Every effort should be made to have the match played as soon as possible.
  - If teams tie for any other position there will not be a playoff.
5. In the event of a tie on a POSITION ROUND match; the HOME team is determined by the four regular shooters PPD/MPR. The team with the higher combined PPD total will be the HOME team.

#### **F. MATCH RULES OF CONDUCT**

1. Distracting other players is not allowed. Common sense and good sportsmanship shall be used during play regarding any questions that might arise. The captains shall attempt to settle any disputes that arise. Any disputes that cannot be settled must be protested (see protest procedures) and shall be ruled on by the M.A.C.D. officials.
2. Any physical violence, abuse of equipment, poor sportsmanship, or unethical conduct may be grounds for forfeiture of the game, the match and expulsion from the league as well as forfeiture of all league dues paid.
3. All matches should be finished within a reasonable amount of time (approximately 2 ½ hours). If a team or player is delaying the game in excess of ten (10) minutes, the opposing team has the option to skip to the next player.
4. When a player gets up to the throw line, they must throw all the darts they intend to throw before leaving the throw line. (Example: you cannot throw one dart, go get a beer and then return to the throw line).
5. Flagrant violations must be documented and submitted in writing to the league secretary. Protest/correction forms are provided in your Captain's folder. After review the appropriate action will be taken.
6. Penalties for documented and verified unsportsmanlike conduct incidents:
  - First incident – Written reprimands
  - Second incident – Two-match suspension
  - Third incident – Suspension for one league season

#### **G. LOCATIONS**

1. All games must be played on equipment owned and operated by one of the operators involved in the M.A.C.D. co-op league. In the event that a location changes machine operators during the course of the league season and the locations' new operator is not a part of the M.A.C.D. co-op, the team will either have to change locations for the remainder of the season or drop from the league, thus forfeiting all prize money.

2. If a sponsor closes the location, the team will have to switch locations. The team captain should contact the machine operator to establish their new home base, and then notify the league secretary of the new location.
3. Teams may switch locations during the league season if they have written permission from the sponsor. The team must reimburse the sponsor fee to the original sponsor, as the fee must remain in the league treasury.

**H. SCHEDULING AND POSTPONEMENTS**

1. Regular league scheduling shall be the responsibility of the league secretary.
2. Every effort should be made to avoid forfeits and postponements. If a team requests a postponement and the opposing team agrees, they must set a date and time. BOTH CAPTAINS must then notify the league office. All make-up matches need to be played within 2 weeks of the original date. If the league office is not notified and the match is not played within 2 weeks, the match will be split (the team that originally rescheduled will receive the majority of the losses (with a 17 game match, the split would be 9 & 7). If the match is not made up by the end of the season both teams will receive 0 wins and both teams will be fined \$10.
3. The only circumstance under which an opposing team *must* grant a postponement is when a team is playing in a sanctioned dart tournament (ex: NDA Team Dart).
4. Both teams involved must still pay for all games not played for any reason. This rule also applies for all forfeited matches.
5. In even team numbered leagues no teams may join as new entries. In leagues comprised of an odd number of teams (leagues with BYEs) new teams may join up to and including the Third week of play. Teams taking over these vacant spots are responsible for paying all league dues for missed matches. It is the new teams’ responsibility to contact the other captain(s) and reschedule those matches. These matches must be made up within *three* weeks.
6. Leagues will NOT be cancelled for any reason. If the weather is a factor, see above.

**I. PROHIBITED PLAYERS**

1. Teams with a player(s) not allowed in opposing teams’ location must have substitute available to take the place of prohibited player(s).
2. It is recommended that differences between “barred” players and sponsors be reconciled so that they can at least play the match and leave immediately.

Note: These circumstances are between tavern owners and patrons, therefore, the league secretary and/or grievance committee cannot get involved and protests cannot be filed.

**B. GENERAL GAME RULES**

1. Each team shall have a captain or acting captain present at each match played.
2. The player gets three throws per turn. You may pass any or all of your darts. A dart passed *does not* count as a dart thrown. An intentionally missed dart may be considered unsportsmanlike.

3. If a dart misses the board or does not stick, it counts as a dart thrown and may not be thrown again. A dart thrown that sticks, but does not score may not be manually scored. The only exception is for an *out* dart or winning dart. If the winning dart sticks and doesn't register, the game is over. The player throwing the winning dart receives the win. Dropped darts may be thrown again.
4. Darts on the board cannot be touched until your turn is over and the player has touched the "player change" button.
5. Darts must not be thrown until "throw darts" lights up on the machine. Any dart thrown early *may not* be thrown over.
6. It is each player's responsibility to see that the machine is displaying that player's number prior to throwing any darts. If a player throws when the machine is displaying an opponent's number, the opponent has the option of accepting that score and allowing play to continue, or resetting the machine to the player's number who originally threw on the wrong number and then continuing play.
7. If, in team play, a player throws when the machine is displaying his/her teammate's name, each player on that team loses one turn immediately.
8. If a player reaches zero while shooting under their partners name that team loses the game.
9. The dart machine is always right. If the machine isn't operating correctly, call for service from the machine operator. If the machine operator does not repair the machine within one hour, there are two options:
  - a) Use a different machine at that location if available. This will require manually scoring the remaining games using a score sheet provided in your folder.
  - b) If a different machine is not available, you may go to the visiting teams' location (manual scoring needed for remainder of match).
10. Players may use their own darts, as long as they are unaltered factory issued darts and tips weighing no more than **20 grams**. Otherwise, bar darts will be supplied at each location.
11. All games shall have foul lines positioned eight feet from the bottom of the game directly below the bullseye. Another way to measure the throw line is to measure from the center of the bullseye diagonally to the throw line, 9 feet, 9 ½ inches. If a question arises on the distance the machine is from the throw line, captains must measure the distance and move the throw line if necessary. The games already played stand as played. The remaining games will be played at the new distance.
12. When throwing, a darter must stand with both feet no closer than the front edge of the throw line. It is legal to lean over, but not to step across the throw line. If a darter places any portion of his/her foot over the line, the opposing team can call a foul. The first time will be considered a warning with no penalty. The second time that darter will forfeit his next three darts. Any additional fouls will be a forfeit of that game.
13. Four players constitute a team. The four players that start a match must play the entire match. If a player must leave early, his rounds for the remaining games will be passed. No One else can fill in for that player.
14. A match consists of seventeen games: 8 games of 301, 4 games of cricket, 4 games of 501 & 1 game of Team 501. Individuals play 9 games of partners(4-301, 2-Cricket, 2-501 & 1-Team 501) These games are played in the order and combination programmed by the league secretary in league play on the dart boards. You may view this set-up on the website.

**C. THE 301/501 MATCH/RULES**

1. The bull's-eye will count 50 points, full bull.
2. All players start with their handicapped 301/501 points and attempt to reach zero. If a player scores more than the total required to reach zero, the player "busts" and the score returns to the score that was existing at the start of the turn.
3. When a player reaches zero exactly, the game is over. The winning team is the team with the lowest combined score (all team shooters). If the game score ends in a tie, the player/team that reaches zero first wins. If a player reaches zero when he is "frozen," the dartboard will display "Freeze Rule Bust" and the win will be credited to the opposing team as a team win only.

4. **Freeze Rule:** If your teammates score is higher than the opposing team's combined score, you cannot take the game out. {Example: Your score is 20, your teammate's score is 200, a player on the opposing team's score is 50 and the other player is at 100.  $100 + 50 = 150$ , your teammate's score (at 200) is higher than the combined score of the opposing team (150). If your teammate's score is tied or lower than the opposing team's combined score, you may take the game out.
5. All general rules of play will apply.

#### D. THE CRICKET MATCH/RULES

1. The game of Cricket will be played with a split bull's-eye.
2. The object will be to close the numbers 20, 19, 18, 17, 16, 15 and the bull's-eye in any order before your opponent(s). The player/team that closes all numbers and the bull's-eye first, and has a greater or equal point score, wins.
3. An outer bull's-eye will count 25 points (or one mark) and an inner bull's-eye will count 50 points (or two marks).
4. All general rules of play will apply.

#### E. HANDICAPPING

1. Both captains (Home and Away) must be allowed to review their team and the opposing team players' statistics and averages prior to entering all the fees into and starting the match.
2. For the FALL/WINTER leagues, the first **two weeks** of play are not handicapped. This is to establish your PPD(Points per Dart)/MPR (Marks per Round).
3. If in those first two weeks of play any match is not played, the two involved teams **must reschedule and play** that match prior to the third week. If this is not done, both Teams' PPD's will be set at 25.00 PPD's.

#### SPOT POINTS HANDICAPPING:

4. Spot Points is a percentage based handicap method using a player's Points per Dart (PPD). In each match players are compared to the highest PPD in the game to determine their starting score. **Note: The Arachnid League System calculates these values automatically (see below).** The best player will always start at the highest X01 score. The rest of the players could have anywhere from the minimum starting score to equal with the highest player.

"301" Minimum starting score is 301 and Maximum starting score is 361.

"501" Minimum starting score is 501 and Maximum starting score is 601.

**This is the only handicapping and ALL PLAYERS ARE "OPEN" OUT.**

#### 5. New player PPD:

A list of players' PPD from the previous year will be provided in each captain's folder and on the website. Please refer to this list when bringing in ANY player that has not shot for this particular team and season. New players added will use this previous season's PPD. If this new player is not on this list, he/she will use a 25.00 PPD. When entering the new player's name in match set-up, you will have to enter the correct PPD manually (Hit the UP arrow on the dartboard, and then enter the PPD rounding it to the nearest tenth {ex. 23.27 would be entered as 23.30}). You can also contact the league office *at least 24 hours* in advance of the match to have your subs name and PPD entered.

#### IV. AWARDS, PRIZE MONEY AND BANQUET

##### A. AWARDS

1. There will be a sponsor plaque and four individual trophies for each placing team. Extra trophies can be ordered for an extra fee, which will be taken out of your prize check. Teams may opt to not receive the individual trophies and instead get a refund on the prize check. Please inform the league office as soon as possible.
2. The following is the distribution of trophies based on league size:
  - Four to Six teams in a league – 1<sup>st</sup> and 2<sup>nd</sup> place only
  - Eight to Ten teams in a league – 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> place
  - Twelve and greater teams – 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> place
3. An individual award for the HIGHEST PPD in each league is given. This player must have played 75% of the seasons' games.

If their protest is won, the deposit will be returned via the prize check. (Correcting a match illegally taken out is not a protest and no fee is due).
